

1. Section 4.5: 17–20

2. Section 4.5: 24–27

3. Section 4.6: 1, 3

There are answers in the back of the book. Please take advantage of them, but show all of your work so that the grader can see how you arrived at your final answer.

4. Section 4.6: 21

In addition to the final answer, hand in a printout of an Octave script that you used to compute that answer.
